

# Career Map – Refreshed View

The Career Map serves as a reference to reflect the available job roles and possible career pathways in the Aerospace sector, which may vary depending on each company's structure and business context. The career progression pathways would depend on individual performance, capability, experience, aspiration, as well as company needs.

\* The **General Worker/Operator** and **Store Assistant** job roles are common across functional tracks

 Denotes lateral career progression across functional tracks
  Denotes vertical career progression
