

CVILLE EDAMENIODIZ FOR AIR TRANSPORT								
SKILLS FRAMEWORK FOR AIR TRANSPORT SKILLS MAP – VICE PRESIDENT								
Sector	Air Transport							
Sub-Sector	Airline							
Track	Cabin Operations							
Occupation	Cabin Operations Manager							
Job Role	Vice President							
Job Role Description	The Vice President establishes and sets the direction of the cabin crew performances and services in line with the brand identity of the airline. He/She champions organisational succession planning, capability development and employee engagement initiatives for the organisation. He develops strategies to drive operational efficiency and passenger satisfaction and increases profitability for the airline. He is able to work closely with the industry partners to identify new business opportunities for the organisation. He also forges international networks to promote the organisation and builds business and professional networks at the senior executive level. As Vice President for Cabin Operations, he is able to demonstrate a positive and passionate attitude towards the industry stakeholders and establish effective working relationships with business leaders, government representatives, passengers, members of the public, unions and other important stakeholders of the organisation. He also possesses exceptional leadership skills, speaking and writing abilities. Furthermore, he has excellent communication, analytical, negotiation and people management skills.
