

**SKILLS FRAMEWORK FOR HEALTHCARE
TECHNICAL SKILLS AND COMPETENCIES (TSC) REFERENCE DOCUMENT**

TSC Category	Patient Care					
TSC	Therapy Intervention Evaluation					
TSC Description	Evaluate the effectiveness of therapy interventions through the monitoring of progress and outcomes of client recovery, values and goals as well as clinical indicators					
TSC Proficiency Description	Level 1	Level 2	Level 3	Level 4	Level 5	Level 6
			HCE-PTC-3032-1.1	HCE-PTC-4032-1.1	HCE-PTC-5032-1.1	HCE-PTC-6032-1.1
			Monitor and evaluate intervention outcomes of routine cases independently. Seek guidance for modification of therapy goals for complex and/or novel cases	Monitor and evaluate intervention outcomes of routine and complex cases independently. Provide guidance to junior therapists where necessary	Identify and evaluate outcome measures to specific groups of client conditions. Provide support for evaluation of outcomes and modification of intervention plans for more complex cases	Develop procedures and frameworks for performing intervention evaluations. Identify and evaluate outcome measures relevant to client populations across services within a multi-disciplinary team
Knowledge			<ul style="list-style-type: none"> Clinical outcome indicators in evaluating interventions administered Department clinical standards Key research for interventions Factors that can affect the outcomes of the interventions provided Expected outcomes for specific intervention approaches based on research 	<ul style="list-style-type: none"> Organisation policies, standards and guidelines pertaining to intervention evaluation Methods to assess efficacy of therapy intervention Specialised intervention methods and techniques Validated standard for outcome measures 	<ul style="list-style-type: none"> Technologies and/or methods applicable in intervention evaluation 	<ul style="list-style-type: none"> Trends in evaluating outcomes and managing clients in defined client populations Clinical standards across the sector with regard to assessment practices
