

ANNEX A

Factsheet on TechSkills Accelerator (TeSA) Integrated Career Services

The TechSkills Accelerator (TeSA) is tripartite initiative between the government, industry and the NTUC, to better build the ICT workforce for the Singapore economy, and to enhance the employability outcomes for individuals in the ICT profession.

2. TeSA Integrated Career Services supports one of the three key thrusts under TeSA, the other two being Skills Framework for ICT; and Skills Acquisition and Validation. For more information of TeSA, please visit www.skillsfuture.sg/TeSA.
3. TeSA Integrated Career Services is a tripartite-led support network by the government, industry, and NTUC that aims to provide holistic career services for ICT professionals as well as those who are looking to join the ICT sector as a profession.
4. Features of TeSA Integrated Career Services include:
 - a. Coordinated efforts tapping on the existing career services mechanism such as physical touch-points at Workforce Singapore, e2i Career Centres and NTUC U PME to provide career support;
 - b. The newly launched SCS Career Compass, a sectoral initiative under SkillsFuture Career Advisors Programme to enhance existing career support efforts; and
 - c. Shared resources and knowledge to organise employment fairs, including both physical and virtual fairs.

Diagram A: TeSA Integrated Career Services Overview

5. Together, TeSA Integrated Career Services aim to triple the opportunities for PMET jobseekers to gain access to career opportunities in the ICT sector.

6. For individuals who require a full suite of TeSA integrated career services, you may visit our physical touch-points at Workforce Singapore/ e2i Career Centres or NTUC U PME Centre to register.
