

ANNEX B

MEDIA FACTSHEET ON SKILLSFUTURE ADVICE FOR INDIVIDUALS

SkillsFuture Advice for Individuals is a community outreach initiative to help more Singaporeans understand the importance of skills upgrading and career planning. The SkillsFuture Advice for Individuals is targeted at all Singapore Citizens and Permanent Residents, namely the fresh entrants, working professionals, mid-career switchers, returning professionals and individuals in their golden years.

2. Participants of the SkillsFuture Advice for Individuals programmes and workshops will go through educational, interactive and reflective activities to learn about:

- a) Current work and skills trends
- b) Personal work interest or skill areas
- c) SkillsFuture and career planning initiatives
- d) Developing skills upgrading plan

Participants will also have hands-on experience using MySkillsFuture portal on their personal mobile devices to help them benefit from the one-stop resource for training and careers.

3. The SkillsFuture Advice for Individuals programmes and workshops are held in community areas such as community centres and community clubs. Each session is about 1.5 hours and will be conducted in the four official languages - English, Chinese, Malay or Tamil - to reach out to more Singaporeans. Prior to the launch, about 1,000 Singaporeans had participated in pilot workshops organised at various locations island-wide.

4. Singaporeans and Permanent Residents are strongly encouraged to participate in the SkillsFuture Advice for Individuals programmes and workshops. To find out more, contact SkillsFuture Singapore at 6785 5785 or visit www.skillsfuture.sg/advice.
